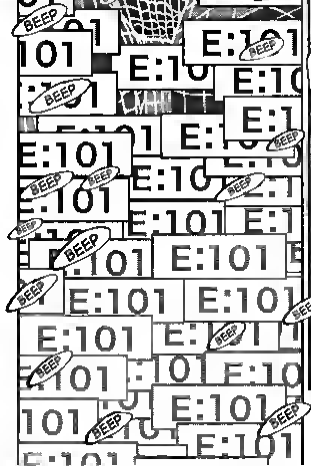
I'VE FINALLY FOUND IT!
IT'S IN THE ONLY LOCATION THAT I'M IN!!
IT'S LIKE... A WATERFALL...
THE LAYER WHEREIN THE DENSITY DRAMATICALLY LEAPS THAT IS MADE UP OF "HEAVY METAL ION MUD". THIS LAYER THAT IS MUCH HEAVIER THAN THE DEEP-SEA WATER IS
GOING TO FALL STRAIGHT DOWN LIKE A WATERFALL AT THIS RATE
...LOOK, YUKINA....
E:101
BEEP

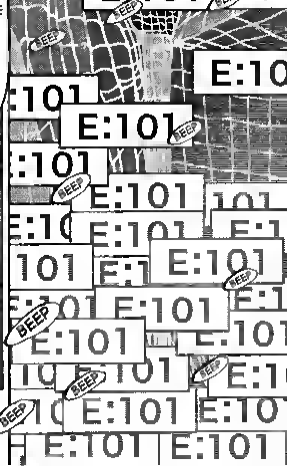
!!

LOOK BELOW, YUKINAGA.
TURBIDITY CURRENT IS NORMALLY JUST THE EFFLUENT AT THE RIVER MOUTH/ENTRANCE FLOWING DOWN LIKE EARTH AND ROCKS AFTER THINGS LIKE EARTHQUAKES... SUCH PHENOMENON THAT CAN ONLY BE SEEN IN SHALLOW WATERS—
WHY... IS THERE "TURBIDITY CURRENT" IN THIS DEEP SEA!?
—IT'S LIKE THAT—
SENSEI, COULD THIS BE.. COULD THESE STRANDS OF WATERFALLS BE THE "OCEAN FLOOR/UNDERSEA TURBIDITY CURRENT"—!?



BEEP
E:101

THIS IS A WATER-FALL...
FROM THE SHADOWS, THE WATERFALL IS— NO, THE LAYER IS SEEPING THROUGH—



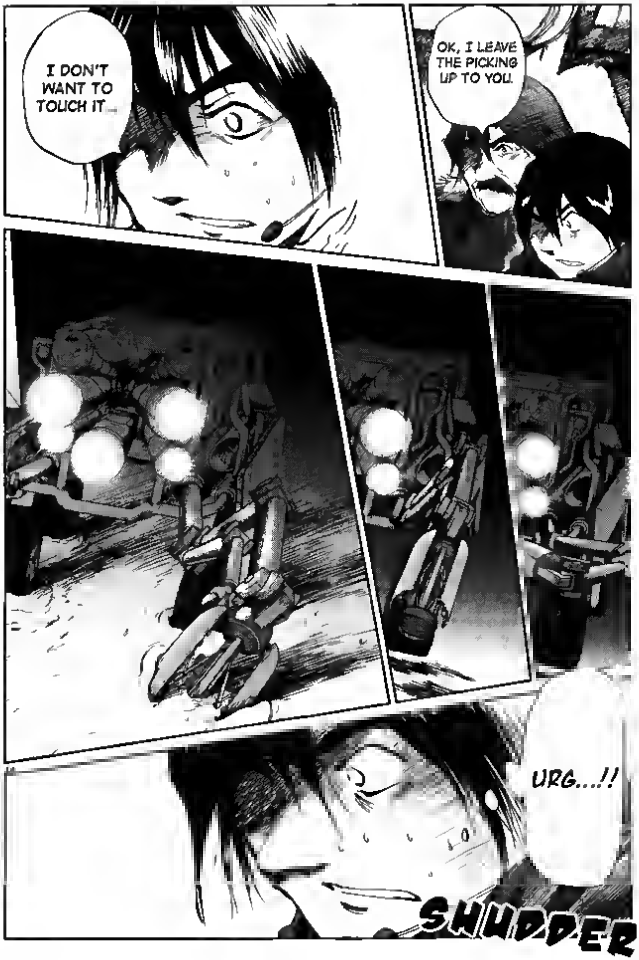
BEEP
E:101

IT'S THE NEST... OF THE TURBIDITY CURRENT...
.....
SLAM
!?
THE TURBIDITY CURRENT IS... APART FROM THE INFECTIONS CONTINUOUSLY FALLING SILENTLY LIKE STALACTITES...
WHO WOULD THINK THAT THESE THINGS WERE MOVING...
BUT... ALL THIS SPACE IS... THE APPEARANCE IS SO STRANGE AND IF WE PUT THESE THINGS OUT OF THE WAY...
SOMETHING HUGE SIN... SINKING?
IT'S THE TRACES OF THE DATA THAT IMPLY THAT SOMETHING HUGE WAS SINKING. RIGHT BEFORE WE CAME.
NO .. THIS IS COMPLETELY DIFFERENT FROM THE PATTERNS OF THE SEISMIC WAVE PUSHING UP BEFORE WE EVEN CAME HERE, THE MICROSCOPIC INPUT WAS DETECTING IT.
UNDERWATER TIDAL CURRENT!? NO, IS IT AN EARTHQUAKE!?
TAKING THIS PLACE AS THE FOCUS, IT SHOWED HOW IT WAS GRADUALLY BEING ATTENUATED LIKE AN ECHO ALMOST LIKE...
GRRR
GRRR
BAAM

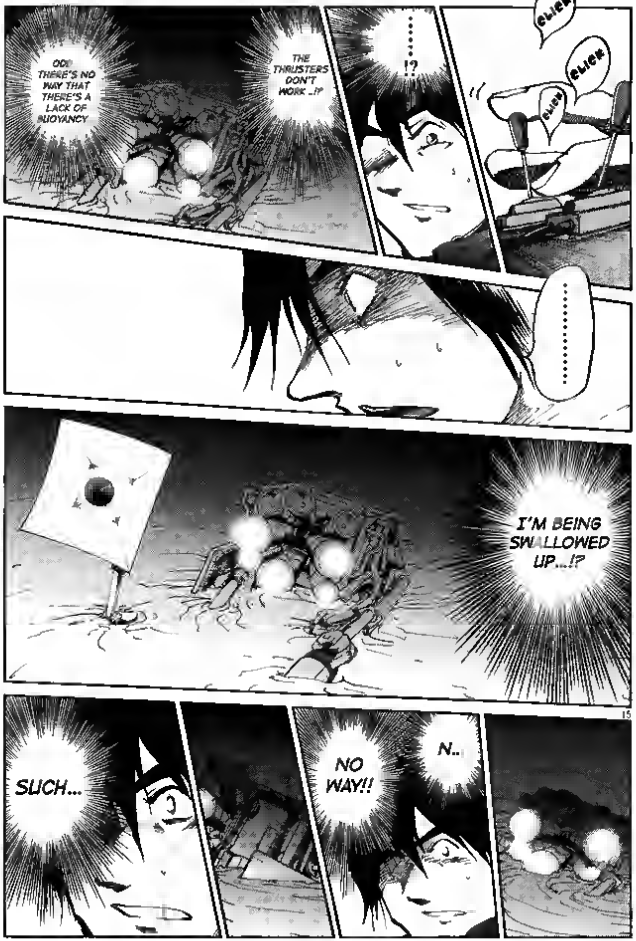
JUST WHERE IS THIS LARGE QUANTITY OF MUD FLOW DISAPPEARING OFF TO?
JUST WHERE IS THIS MUD FLOW FLOWING FROM? AND...
THE DEPTH IS 10980... WE'VE ALREADY GONE PAST THE DEEPEST LEVEL THAT HUMANITY HAS EVER REACHED..
ONODERA KUN, ARE ALL THE DATA REVISION AND DATA COMPILATION BEING DONE!?
ALONG WITH THE CAMERA IT'S STRANGELY USING UP A LOT OF BATTERY THE REMAINING TIME ALLOWING UNDERWATER NAVIGATION IS DROPPING RAPIDLY
DON'T MIND THAT!!
BEEP

AND AFTER THAT...
EVEN IF THERE'S ONLY A LITTLE TIME LEFT. TAKE EVERY MAJOR DATA OF THE THICKNESS OF THE DENSITY THAT IS POSSIBLE WITH THE SCAN RATE.
YOU CAN DO THE ANALYSIS WHEN WE RETURN!! ANYWAY, RIGHT NOW...
KEEP GOING DOWN ALONG THE CLIFF TO THE SURFACE OF THE MUD FLOW
I WANT A SAMPLE OF THE "MUD".

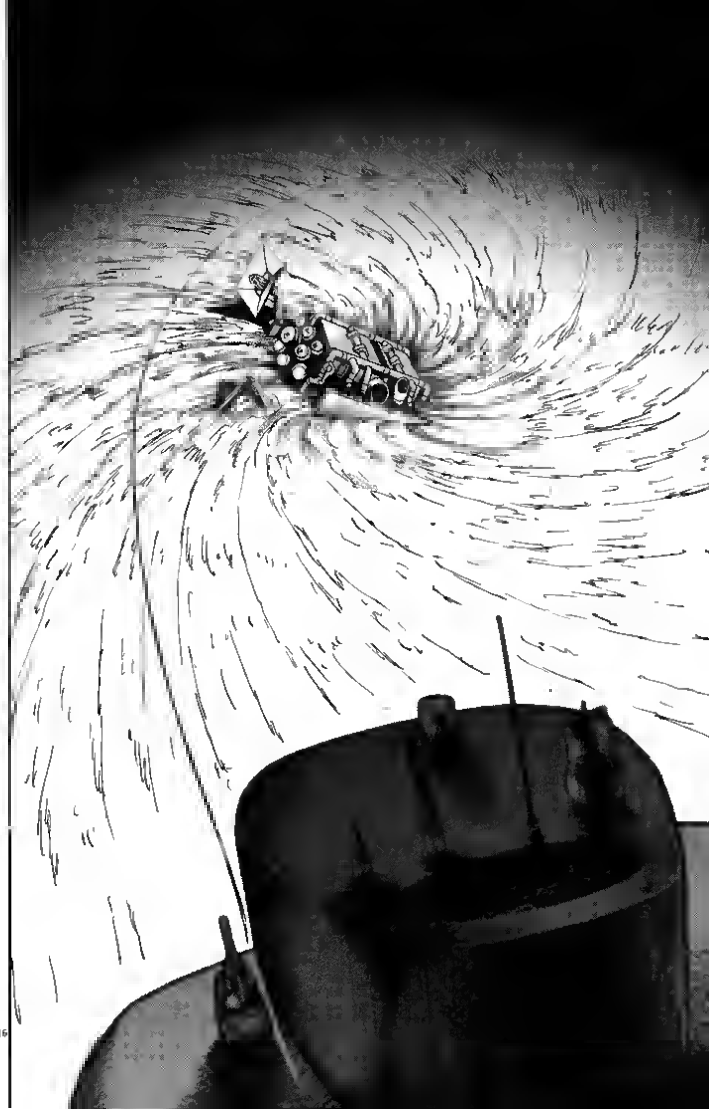
FRIGHTENING...
UNTIL NOW, I'VE EXPERIENCED COUNTLESS UNEXPECTED ACCIDENTS AND UNDERWENT COUNTLESS DANGEROUS MISSIONS...
BUT... THIS... IS FUNDAMENTALLY WRONG.
I... AM NOW TRYING TO TOUCH SOMETHING...
THAT NO-ONE HAD EVER TOUCHED...
THAT NO-ONE KNOWS ANYTHING ABOUT...
BOOM
BOOM
BOOM
BOOM
BOOM



I DON'T WANT TO TOUCH IT...
OK, I LEAVE THE PICKING UP TO YOU.
URG...!!
SHUDDER



ODD! THERE'S NO WAY THAT THERE'S A LACK OF BUOYANCY
THE THRUSTERS DON'T WORK..!?
!?
CLICK
CLICK
CLICK
.....
.....
I'M BEING SWALLOWED UP...!?
15
SUCH...
NO WAY!!
N..



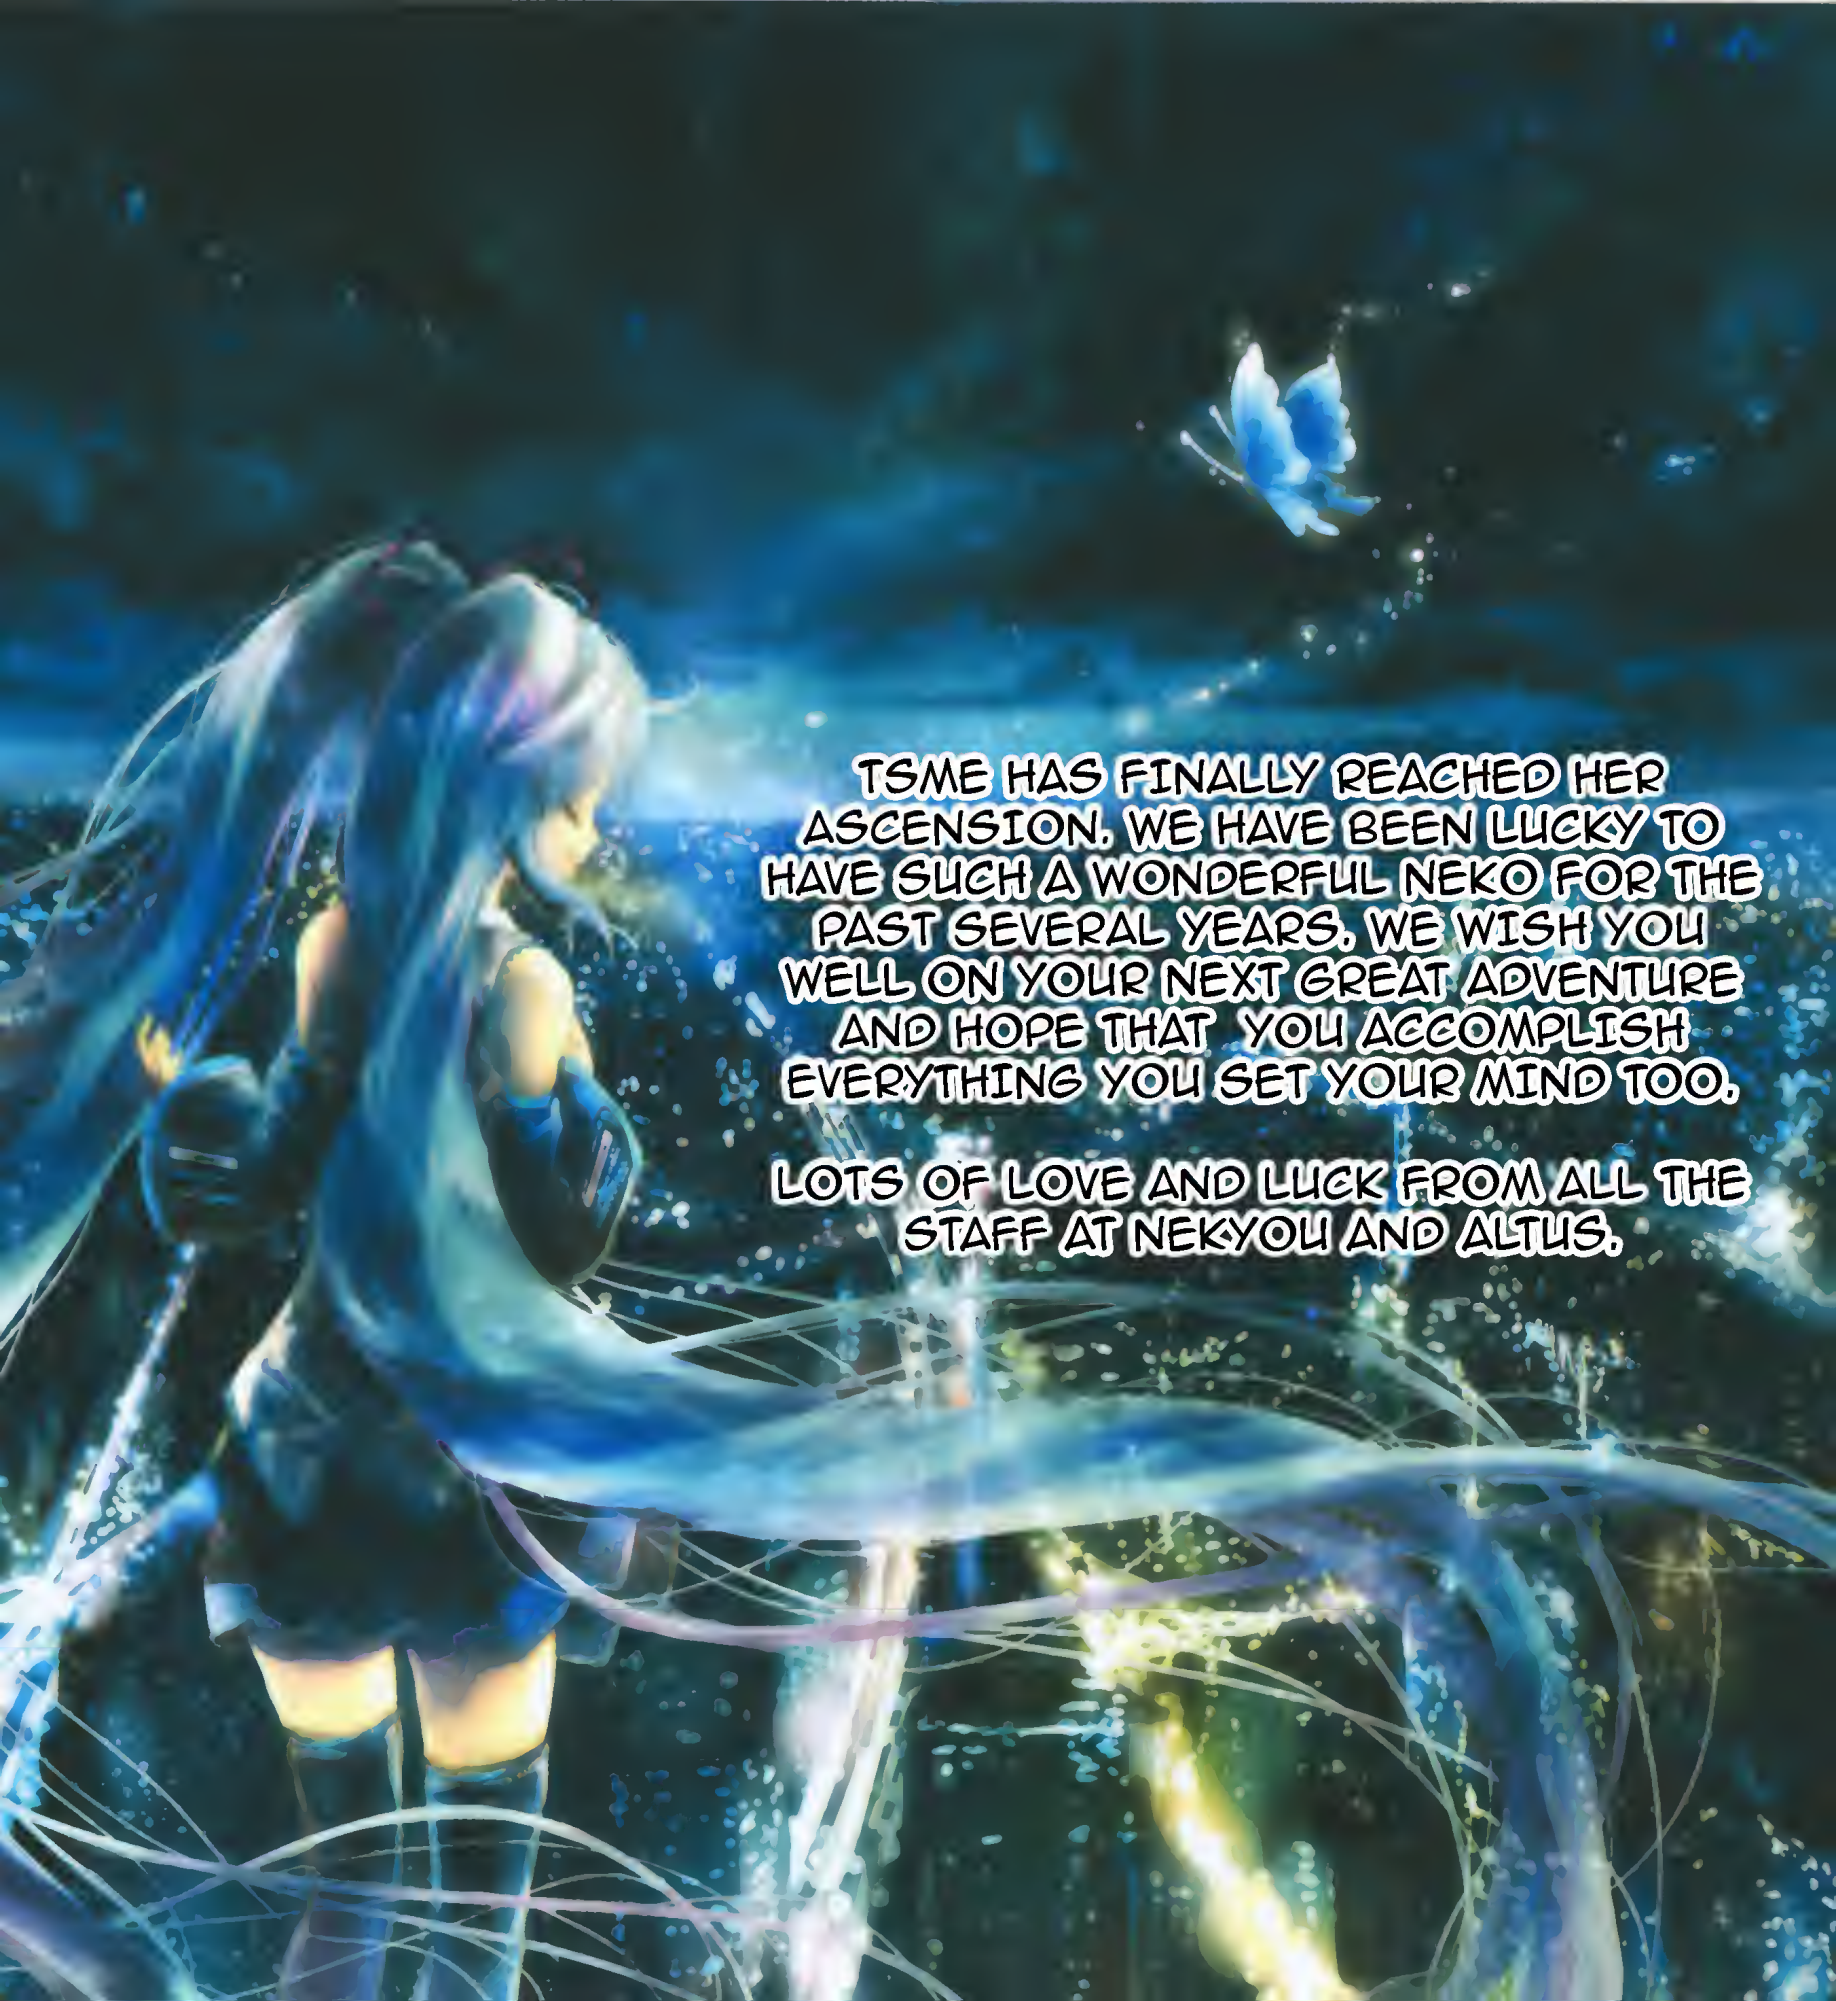
GO UP, TAGAME!!
THIS ISN'T A JOKE!!
SHHH
SHHH
PLEASE BE MORE QUIET, ERROR MODIFIER...
DAMN... SO LOUD...
ABOVE...?
THE "SURVEY LEVEL" FROM THE UPPER REGION IS CHANGING RAPIDLY..!? THAT IS...
NO... IT'S DIFFERENT FROM BEFORE!!
THE THING FROM ABOVE IS APPROACHING...!?

TH-...
THE CEILING IS FALLING JUST LIKE THAT...
THE FALLING OBJECTS ARE LARGER THAN THE UPPER REGIONS!! WE'LL HAVE AN EMERGENCY RETREAT!! HOLD ON!!
WE'LL BE CUTTING OFF FROM REMORA!!
WHA...
IT'S IMPOSSIBLE, ONODERA KUN!!
IN THE REMORA...
GRAB

THE REASON WHY WE'VE CUT OFF FROM THAT GUY IS BECAUSE WE HAVE ALL THESE NOW!!
AND THERE IS THE MUD SAMPLE THAT WE HAVE GOTTEN..
THERE ARE STILL DATA THAT WE HAVEN'T DOWN-LOADED HERE,
... ARE YOU SERIOUSLY SAYING THAT!?
FOR US TO RETURN ALIVE, BACK TO WHERE WE CAME FROM.
RIGHT NOW, IF WE ARE TO LOSE ALL THE DATA WE HAVE COLLECTED UNTIL NOW, THERE IS NO MEANING .
I'M SERIOUS.

TSME

HEY! TSME HERE. I'M RETIRING FROM TRANSLATING SO SOMEONE ELSE FROM NEKYOU WILL BE TAKING OVER THE TRANSLATION OF TSOJ! IT HAS BEEN A REALLY INTERESTING MANGA TO TRANSLATE, WHAT WITH ALL THE SCIENCE, POLITICS AND HISTORICAL FIGURES/EVENTS, BUT IT ADMITTEDLY WAS QUITE ANNOYING AT TIMES WITH WEIRD SFX AND UNREADABLE BITS...AHAHAHA.....(I RAN OUT OF WORDS TO DESCRIBE WIND AND WATER, AND THE MOUNT OF CREAKING REALLY.) I HOPE THAT YOU WILL CONTINUE TO ENJOY TSOJ AND KEEP ON SUPPORTING THE CATS AT NEKYOU! WITH THAT, GOODBYE!



TSME HAS FINALLY REACHED HER ASCENSION. WE HAVE BEEN LUCKY TO HAVE SUCH A WONDERFUL NEKO FOR THE PAST SEVERAL YEARS. WE WISH YOU WELL ON YOUR NEXT GREAT ADVENTURE AND HOPE THAT YOU ACCOMPLISH EVERYTHING YOU SET YOUR MIND TOO.
LOTS OF LOVE AND LUCK FROM ALL THE STAFF AT NEKYOU AND ALTUS.

HTTP://WWW.NEKYOU.NET/
DON'T FORGET TO LEAVE A FEEDBACK.
THIS REDRAW LOOKS GOOD TO YOU, BURGHF
YEAH SHUU, BUT IT NEEDS MORE REDRAWS HERE AND THERE AND THIS
PROOFREADS DONE!, TYPESET THIS PLEASE.
ROLL UP THE NEXT UPDATE!
RAWS... MEAT?
HMMM...
TRANSLATIONS HERE I COME!
SCRIPTS
SEE YOU IN THE NEXT UPDATE~!
